**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

We picked Sonic due to their low rates, extremely high throughput, excellent customer service, and commitment to net neutrality.

I work from home several days a week so access to high speed internet is critical. We have also cut the cord with cable and need the internet for streaming content like Netflix and Hulu.

We love Sonic and want to make sure that they continue to have access to the infrastructure required to continue to deliver excellent service.

Regards,

Lauren Salvo
